WINTER 2019 NEWSLETTER

---

Greetings, friends!

The plants are tucked away, the deer fences are in place, the houses are covered, and we are looking forward to a little rest! We are already looking through our catalogs, placing orders for next spring, and planning the annual trip to the West Coast for February. Which reminds me - if you are interested in something special, give us a call or email us at [sales@orientalgardensupply.com](mailto:sales@orientalgardensupply.com) to let us know what you are looking for.

Just as we have gotten things ready for the winter that seems to have already arrived, we are hoping your gardens are ready too. Taking good care of your plants over the winter is imperative. If you needed to bring some plants into a protected location, check them periodically for water. If you need any items such as deer repellent and trunk guards to help with critter protection or if you have any questions about what to do for specific plants, please give us a call or drop us an email.

If you are stymied about what to get for that special gardener on your list, don't forget about the **Oriental Garden Supply Gift Certificate** - available in all sizes, guaranteed to please any recipient,

particularly if you are not sure what they would like. You can purchase downloadable certificates 24/7 right on the website [here](#)! Purchase for a gift recipient or for yourself, and you can use them during a visit to the nursery or for your online order! Great deal!

Even though we are not open during the winter months, you can keep up with us on our [Facebook](#) page.

Happy Holidays,

Al Pfeiffer, Owner

## Other Notes:

Please note that we have suspended shipping for the winter. If you have some plants in mind that you would like to preorder for next year, let us know by using the [contact form](#) on the website, try calling the nursery at (585) 586-3850, or just email us at [sales@orientalgardensupply.com](mailto:sales@orientalgardensupply.com). Al will keep an eye out while perusing his catalogs or on his buying trip to the Northwest in February.

Note: We are in the midst of completing our inventories and should have the listings updated before long, but you can check the website for our current availabilities. If you register as a customer, you can also download the latest complete availability listing in pdf format from the link under the Resources tab at the top of the webpage to review at your leisure.

If your group is interested in **touring the nursery** next year or even holding an event here, give us a call at (585) 586-3850 and speak to Al. We love to have visitors!
